

BELKIN CONNECTED EQUIPMENT WARRANTY

Belkin Components warrants to the original purchaser of any Belkin Surge Protector for the life of the product, that the surge protector shall be free of defects in design, assembly, material, or workmanship, and will repair or replace, at its option, any defective product free of charge.

Belkin Components will repair or replace, at its option, any equipment which is damaged by a transient voltage surge/spike or lightning strike, (an "Occurrence"), while properly connected through a Belkin Surge Protector to a properly wired AC power line with protective ground. (For models F9H610-04, F5H710-06, F9H710-12, F9H620-CW, F9H120-CW, F9H320-CW, F9H520-06, F9S820-06, F9S820-12, F9S823-06, F9S520-06, F9M520-08, F9M820-08, F9M623-CW, F9M923-08, F9M926-08, F9G933-10, F9G934-10, F9G930-10, and F9G1030-12, the telephone line, and/or network line must be properly connected and installed, and for models F9H702-06, F9S823-06, F9M623-CW, F9M923-08, F9M925-08, and F9G933-10, the coaxial cable line must also be properly connected and installed, as determined by Belkin at its sole discretion.)

Important: If you are using an AC surge protector only that does not have phone, network, or coaxial protection the warranty is null and void if a power disturbance damages your equipment through the phone, network, or coaxial lines. You are only covered if the disturbance entered through the AC lines.

This Connected Equipment Warranty is a Limited Warranty, subject to the limitations and exclusions set forth herein.

Belkin Components will spend, to repair or replace the damaged connected equipment, at Belkin's option, an amount equal to the fair market value of the damaged equipment or the original purchase price of the equipment, whichever is less, up to the maximum amount set forth below:

Models F9H600-03, F9H600-04, F9H610-04	Up to a maximum of \$10,000.00	
Models F9H700-05	Up to a maximum of \$50,000.00	
Models F9H100-CW, F9H120-CW, F9H320-CW, F9H620-CW	Up to a maximum of \$50,000.00	
Models F9H700-06, F9H702-06, F9H710-06, F5C206 series	Up to a maximum of \$75,000.00	
Models F9H710-12, F9H1000-06, F9H520-06	Up to a maximum of \$75,000.00	
All models in the F9S Series	Up to a maximum of \$150,000.00	
All models in the F9M Series	Up to a maximum of \$250,000.00	Data Recovery Warranty*
All models in the F9G Series	Up to \$Unlimited	Data Recovery Warranty*

*Models F9H401-03 and F9H601-03 offer Lifetime Product Warranties only. They do not have any Connected Equipment or Data Recovery Warranties.

The fair market value of the equipment shall be the current value of the equipment specified in the most recent edition of the Orion Blue Book by Orion Research Corporation, Roger Rohrs Publisher.

*Subject to all terms and conditions contained herein, in the event of a hard drive malfunction due to the failure of the Belkin Surge Protector to protect your personal computer while it is properly connected to the Surge Protector, Belkin will provide professional data recovery services from Action Front Data Recovery Labs to salvage remaining or lost data. This warranty in no way guarantees the recovery of such lost data, and services of Action Front Data Recovery Labs will be provided only on a "best efforts" basis and only to the extent reasonable, as determined by Belkin in its sole discretion.

Belkin Components reserves the right to review the damaged Belkin Surge Protector, the damaged equipment, and the site where the damage occurred. All costs of shipping the Belkin Surge Protector and the damaged equipment to Belkin Components for inspection shall be borne solely by the purchaser. Belkin reserves the right to negotiate the cost of repairs. If Belkin determines, in its sole discretion, that it is impractical to ship the damaged equipment to Belkin Components, Belkin may designate, in its sole discretion, an equipment repair facility to inspect and estimate the cost to repair such equipment. The cost, if any, of shipping the equipment to and from such repair facility and of such estimate shall be borne solely by the purchaser. Damaged equipment must remain available for inspection until the claim is finalized. Whenever claims are settled, Belkin Components reserves the right to be subrogated under any existing insurance policies the claimant may have.

All above warranties are null and void if: the Belkin Surge Protector in use during the occurrence is not provided to Belkin Components for inspection upon Belkin's request at the sole expense of the purchaser, Belkin Components determines that the Belkin Surge Protector has been improperly installed, altered in any way or tampered with, Belkin Components determines that the damage did not result from the occurrence or that no occurrence in fact took place, the repair or replacement of the damaged equipment is covered under a manufacturer's warranty, or Belkin Components determines that the connected equipment was not used under normal operating conditions or in accordance with any labels or instructions. All Belkin Surge Protectors must be plugged directly into the power source and must not be "daisy-chained" together in serial fashion with other power strips, UPS, other surge protectors or extension cords. A three-to-two-prong adapter may not be used. Any such installation voids the warranty. The Belkin Connected Equipment Warranty only protects against damage to properly connected equipment where Belkin Components has determined, in its sole discretion, that the damage resulted from an occurrence, and does not protect against acts of God (other than lightning) such as flood, earthquake, war, vandalism, theft, normal-use wear and tear, erosion, depletion, obsolescence, abuse, damage due to low voltage disturbances (i.e. brownouts or sags), non-authorized program, or system equipment modification or alteration. If you are using an AC surge protector only that does not have phone, network, or coaxial protection, the warranty is null and void if a power disturbance damages your equipment through the phone, network, or coaxial lines. You are only covered if the disturbance entered through the AC lines. *Please note: This product is not for use with aquariums and all other water-related products. Use only indoors and in dry locations.

This warranty contains the sole warranty of Belkin Components, there are no other warranties, expressed or, except as required by law, implied, including the implied warranty or condition of quality, merchantability or fitness for a particular purpose, and such implied warranties, if any, are limited in duration to the term of this warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

In no event shall Belkin Components be liable for incidental, special, direct, indirect, consequential or multiple damages such as, but not limited to, lost business or profits arising out of the sale or use of any Belkin Surge Protector, even if advised of the possibility of such damages. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitations may not apply to you.

This warranty is valid only for the original purchaser of the product. All damage claims against the product must be made within 15 days from the date of the occurrence and must be accompanied by a receipt for the damaged equipment or the warranty is void.

Warranty is valid in USA, Canada, Puerto Rico, and Bermuda.
