

Don't be scared.

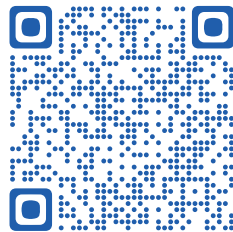

BE PREPARED.

HURRICANE QUICK REFERENCE GUIDE

Be #StormWise and #StormReady

Visit TampaElectric.com/StormCenter or scan the code below for important storm-related information, safety tips and community resources to help you prepare for storm season.

- View storm planning and recovery resources.
- Learn Tampa Electric's storm preparation and restoration plan.
- Download our "Storm Reference Guide."
- See important safety tips and videos.

- Access emergency management and government resources.
- Report/check the status of a power outage.
- Sign up for service, payment, outage and other important text, email or phone call notifications* at TECOaccount.com.

Be #Prepared

Although we deliver 99.98% service reliability, outages can occur in severe weather. If you have a power outage, report it! We'll restore your power as quickly and safely as possible as long as conditions allow.

TO REPORT AN OUTAGE AND GET RESTORATION UPDATES:

Write down your 12-digit Tampa Electric account number for future reference:

Go to and bookmark TampaElectric.com/Outage

Register for an online account at TECOaccount.com

Scan this code to our outage map

Text OUT, UPDATE or STATUS to **27079***

Call **877-588-1010** and add to your contacts for future use.

* Message and data rates may apply. For new registrations, please have your 12-digit account number and zip code.
