

ONLINE PAYMENT GUIDE

Looking for a quick and easy way to pay your bill?

Tampa Electric offers several convenient ways to pay your bill online - saving stamps, paper, time and money. With online payments, you'll reduce risks from lost payments, receive electronic payment confirmations and enjoy real-time transactions that help improve cash flow and budgeting.

To pay multiple accounts with your checking or savings account, you'll need a Tampa Electric [online account](#). If you don't have one, it's easy to register at [TECOaccount.com](#) with your account number and zip code.

To make online payments for multiple accounts:

- 1 Log in to your [online account](#).
- 2 Select the accounts you want to include in your payment from the Home Page.
- 3 On the next screen, select the "Pay Multiple Accounts" button.
- 4 Review any pending payments and verify the payment amount before proceeding.
- 5 Choose a payment date at the bottom of the screen.
- 6 Add or select a bank account to pay from.
- 7 Then select the "Next" button.
- 8 Click on the accounts you would like to pay.
- 9 Select the "Submit" button.
